

# MINI OLYMPICS CHALLENGE

**We are encouraging as many schools as possible to make a flag, banner or mascot, which represent a country and to bring it to the South Cambs School Sports Partnership Mini Olympics on the 18th June 2019.**

All schools will be given the chance to parade their flags, banners and mascots during the day.

Your design can be as big as you like and might include elements such as

- The countries National Flag
- Famous athletes from your country
- Animals, landmarks, national dress which distinguish your country
